Friday Prayers 2009

Arrive by 1:00PM in order to get a parking spot and to be ready for the service.

Dress modestly: **Women**, wear loose pants and a shirt that goes down to your wrists. Bring a scarf to cover your hair, but don't panic if you forget it. You will be welcomed. Enter the women's section, which is to your right when you face the main door and upstairs. Take your shoes off and put them in the cubbies as you enter.

Men: Again, modest dress. No shorts but also no ties and coats. You enter the front, large door—take off your shoes before entering prayer area.

Sit toward the back, on the floor. Take notes if you want on the sermon but make sure you WATCH what is going on.

After the service if you (men and women) go downstairs and look for the Imam (who led the prayers) he will give you a tour of the mosque and answer questions.

You can also go during the week, but there will be no sermon.
